[The Worlds Flash Report](#)

Dear Piping Enthusiast,

Inveraray and District Pipe Band Grade 1 World Champions and Champion of Champions 2019

I hope everyone enjoyed the Worlds and Piping Live! It is of course many congratulations to Inveraray and District PB and its phenomenal Pipe Major Stuart Liddell. They are very popular winners and great from my point of view too - I fitted new sheepskin bags for the complete band during the period January to April in preparation for the coming competitive season. It turned out to be a wise move as it provides real consistency as well as a fresh platform for the pipes. This probably helped even more over a 4 contest Worlds event this year as opposed the usual 2. The Field Marshall were not far behind and our bags were well represented there too. I am proud to say that Begg bags have been very closely associated with just about every single Worlds winner over the last 40 years - I reckon it's about a 90% plus success rate and long may it continue.

It was a hectic week all round and we had a very good outing on the Thursday at the Trade Fair in the Royal Concert Hall. There was a steady stream of

friends and customers all day long and it was great to catch up, particularly with those of you who had travelled from distance like New Zealand, Australia and the USA. I hope you all have a safe journey home and see you again next year.

We will have our normal newsletter next month but I thought I'd share the above with you while it is still current.

Yours aye,

James C. Begg
