[Newsletter- NPC Online Trade Fair](#)

Dear Piping Enthusiast,

Over the years, we have enjoyed attending the Trade Fair during Piping Live! and this was a great time to catch up with old friends and customers and to meet new ones. Alas, and for reasons we all know, it didn't take place this year but the National Piping Centre has done the next best thing and launched an Online Trade Fair - this started on October 23rd and runs until this coming Sunday so sorry we are a bit late in letting you know about this - but there is still time to check it out [here](#).

Begg Bagpipes are involved and my daughter Lisa has done a couple of videos of me talking about Begg Bagpipes and our famous bags - so if you would like to watch these short clips, here they are - click on the link.
